

## HEIGHT BARS

Eliminate damage to vehicles and property caused by oversize vehicles entering areas of restricted height by installing suspended Height Bars.

Our Height Bars are available in five standard lengths: 2, 3, 4, 5 or 6 metres and come with suspension chain and hanger assemblies. Powder coated safety yellow with reflective diagonal stripes, they carry the text "LOW CLEARANCE" with the specified height in black letters on a white background.

Use height bars at locations where vehicles first enter an undercover area or encounter an overhead obstruction, where the clearance in either case is: (i) 3 metres or less if only cars or light vans are likely to use the facility or (ii) 4.6 metres or less in all other areas.

Freestanding surface mount or below ground posts are available for installation where there is no existing supporting structure.

### Value features:

- » Available in five convenient lengths.
- » Comes complete with hanger assemblies and chain.
- » Powder coated high visibility safety yellow.
- » Displays the required clearance (please specify).
- » Manufactured from durable galvanised steel tube.
- » Optional Offset hangers available in 2 lengths.
- » Can be post mounted for freestanding installations.

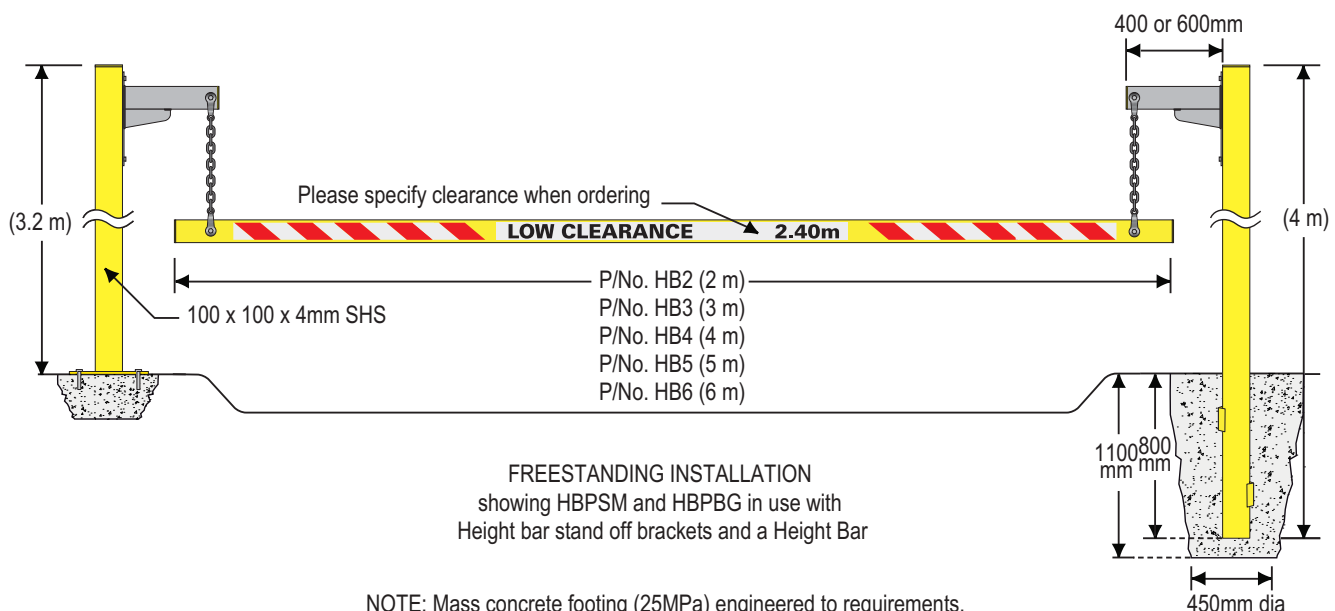

Height bar with optional Stand off brackets.

	4 metre – 19kg approx.	5 metre – 23kg approx.
	6 metre – 28kg approx.	

**Note:** Please specify required clearance when ordering height bar. This will be the distance from the bottom of the height bar to the road surface.

PART No.	DESCRIPTION
HB2	Height Bar with text and hangers 2.0m long
HB3	Height Bar with text and hangers 3.0m long
HB4	Height Bar with text and hangers 4.0m long
HB5	Height Bar with text and hangers 5.0m long
HB6	Height Bar with text and hangers 6.0m long
HBH	Additional Hangers with chain assembly
HBS40	400mm Height Bar Standoff bracket (each)
HBS60	600mm Height Bar Standoff bracket (each)
HBPSM	Surface mount post 100 x 100 x 4mm, 3.2metres High
HBPG	In-ground post 100 x 100 x 4mm, 4metres High (Specify length of post required if custom)

# LEGEND

## AUSTRALIAN CONTENT

This product has been designed, developed and is either completely or substantially manufactured in Australia. (The minimum Australian content is between 50 and 100%).

## NEW AND UNIQUE

This is a new and unique product. It has either been designed, developed and manufactured by the Barrier Group Pty. Ltd. or it is being seen here for the first time.

## 100% RECYCLABLE

This product is manufactured from virgin grade raw materials and is 100% recyclable using existing, readily available recycling technology and services.

## RECYCLED MATERIALS

This product has been manufactured from either a combination of recycled materials and virgin grade materials or entirely from recycled materials.

## HOT DIP GALVANISED

This product has been hot dip galvanised prior to any surface coatings being applied. Hot dip galvanised offers vastly improved corrosion protection and extended life in harsh environments.

## FIXINGS INCLUDED

This product comes complete with all the necessary fixings to complete the standard installation. When comparing competitors prices against our own, always ensure they have included the fixings with the product (excludes gravel spikes).

## 5 YEAR WARRANTY

This product carries a 5 year limited warranty against structural failure due to faulty materials or workmanship in our manufactured products, OR structural failure and major fading due to U.V. degradation in our injection moulded products.

(For full conditions visit [www.barriergroup.com.au](http://www.barriergroup.com.au)).
