

INFO-BOARDS PORTABLE SIGN SYSTEM

Info-board comprises a moulded rubber base (7kg) and a range of die cut, double sided sign boards.

Use outdoors with its 7kg base for maximum stability in windy locations.

The range of 11 stock sign faces are an industry standard 600 x 450mm. Alternatively we can produce any message you require. Simply select the IB-CUSTOM option and provide us with your text.

NOTE: Base and info-boards ordered separately.

Value features:

- » Double-sided sign face each with 600 x 450mm (image area).
- » Tough rubber bases are gentle on sensitive floor surfaces. Non-marking / non-scratching.
- » Extremely durable polypropylene double sided sign board.
- » Wide range of standard legends or your custom message.
- » Ships flat packed for cost effective freight.
- » Simple assembly. All parts included. No special tools required.
- » Far more visible with a greater presence than common cones or bollards.
- » Easily moved from location to location (built-in handle).
- » Great for safety. No metal edges or sharp corners.

LEGEND

AUSTRALIAN CONTENT

This product has been designed, developed and is either completely or substantially manufactured in Australia. (The minimum Australian content is between 50 and 100%).

NEW AND UNIQUE

This is a new and unique product. It has either been designed, developed and manufactured by the Barrier Group Pty. Ltd. or it is being seen here for the first time.

100% RECYCLABLE

This product is manufactured from virgin grade raw materials and is 100% recyclable using existing, readily available recycling technology and services.

RECYCLED MATERIALS

This product has been manufactured from either a combination of recycled materials and virgin grade materials or entirely from recycled materials.

HOT DIP GALVANISED

This product has been hot dip galvanised prior to any surface coatings being applied. Hot dip galvanised offers vastly improved corrosion protection and extended life in harsh environments.

FIXINGS INCLUDED

This product comes complete with all the necessary fixings to complete the standard installation. When comparing competitors prices against our own, always ensure they have included the fixings with the product (excludes gravel spikes).

5 YEAR WARRANTY

This product carries a 5 year limited warranty against structural failure due to faulty materials or workmanship in our manufactured products, OR structural failure and major fading due to U.V. degradation in our injection moulded products.

(For full conditions visit www.barriergroup.com.au).

WARNING
