

## POST-Q Fence System

### Features:

- Strong, flexible, lightweight and highly visible.
- Ease of installation with design flexibility.
- Solid moulded colour.
- Virtually maintenance free.
- Maximum panel opening 80mm (child-safe).
- Panels can be cut down as required.

**Material:** Blow moulded polyethylene panel.  
Surface mount posts 875mm long galvanised steel.

**Finish:** Solid colour Hi-Vis Orange panel.  
Hot dip galvanised surface mount post.

**Height:** 1000mm (floor to top of panel).

**Panel length:** 2130mm.

**Weight:** 14kgs panel including posts (approx.)

**Fixings:** Supplied with masonry anchors  
4 off 16 x 65mm.

**Galvanised posts:** The internal posts used in Post-Q are manufactured from 48.3mm diameter hot dip galvanised steel with a welded base plate for surface mounting. Post mounting leaves the Q-Fence panels elevated above the floor for ease of cleaning.

Note: Panels are sold complete with surface mount posts.

PART No.	DESCRIPTION
PQ2130	Post-Q fence panel with 2 galvanised posts
QFP-SM	Additional Q-Fence posts with fixings

## MENNI-Q Fence System

### Features:

- Impact absorbing materials are perfect for protection against forklifts.
- Menni modules offer protection from forklift tynes.
- Strong, flexible, lightweight and highly visible.
- Ease of assembly with design flexibility.
- Solid moulded colour.
- Virtually maintenance free.
- Maximum panel opening 80mm (child-safe).
- Panels can be cut down as required.
- Drainage channels prevent water pooling.

**Material:** Blow moulded polyethylene panels and Menni LLDPE modules.  
Fibre reinforced plastic internal posts.

**Finish:** Solid colour Hi-Vis Orange panels.  
Solid colour Yellow Menni modules.

**Height:** 1000mm (floor to top of panel).

**Panel length:** 2130mm.

**Weight:** 10kgs/metre panels and Menni (approx.)

**Fixings:** Supplied.

**FRP posts:** The internal posts used in Menni-Q are manufactured from 50mm diameter Fibre Reinforced Plastic with a 5mm thick wall. FRP combines incredible strength with flexibility, allowing the Menni-Q fence to absorb considerable impact without damage.

Note: Panels & Menni modules are sold separately

PART No.	DESCRIPTION
