

ZEPHYR Bike Storage Bollard

In a busy city, Zephyr is a stunning short or long term bicycle storage solution. Incorporate it into a cutting edge architectural design and it becomes a sculptured bollard, a classic design element. In the town square or park it's a gathering point, a place to stop, to chat, to bide a while with friends. Or then again, is it simply a beautiful piece of public sculpture, one that invites you to run your hands over its sumptuous metallic form, its smooth and generous curves?

Features:

- Stunning one-piece 18kg aluminium casting.
- Complies with AS2890.3-1993 for Class 3 bicycle security.
- Multi-functional design.
- Available in polished or powder coated finishes.
- Designed and manufactured in Australia.
